4. Selection of the winner

There will be only one winner of the Contest.

The selection of the winner will be made randomly using a third-party application (Simplifiers.com) that allows selecting a winner and 5 substitute winners in case the main winner does not meet the requirements for participation as detailed in Articles 3 and 4 of the Contest.

The selection in the Simplifiers.com application will take place on **November 3rd 2021**. The winner selected by Simplifiers.com will be contacted via Direct Message (DM) sent by Teleperformance Group Marketing Department on Instagram. The winner will be required to provide his/her name, email address, CCMS ID and country of location. Teleperformance Group Marketing Department will forward this information to the local Marketing Department of the applicable Teleperformance Group company for confirmation that the winner has an active employment agreement or employment relationship with the Teleperformance Group

company. The local Marketing Department or Human Resources Department of the applicable Teleperformance Group Company will request the residence address of the winner to send the prize via courier.

If the winner is not an employee of a Teleperformance Group company as set forth in Article 3, he/she will be disqualified and one of the 5 substitute winners will be selected, based on the results delivered by the Simpliers.com application; if that substitute winner is disqualified, then the next substitute winner will be identified, and so on until a qualified winner among the 5 substitute winners is identified. If neither the first winner nor any the 5 substitute winners are active employees of a Teleperformance Group company, the selection of the winner will be carried out again with the Simpliers.com application.

If the winner does not respond to the Direct Message sent on Instagram by the TP Group Official Account within 3 days after the Direct Message was sent, the substitute winner will be selected from the random list issued by the Simpliers.com application. The winner will receive only one Direct Message to which he/she has to respond within 3 days as mentioned above; he/she will not receive reminders in case he/she does not respond to the Direct Message.

For the avoidance of doubt, the selection of the winner does not depend on the number of times the Participant commented #MentalHealthDay #TPMentalHealth #TPonSpotify on the post generated on TP Group Official Account. A Participant may win with only one comment as the winner will be the Participant identified by the Simpliers.com application as number one (provided that the winner complies with the requirements under Articles 3 and 4).
